

U.S. HOUSE OF REPRESENTATIVES
COMMITTEE ON SCIENCE AND TECHNOLOGY
HOUSE ADMINISTRATION
2009 JUL 17 PM 12: 22

SUITE 2320 RAYBURN HOUSE OFFICE BUILDING
WASHINGTON, DC 20515-6301
(202) 225-6375
TTY: (202) 226-4410
<http://science.house.gov>

July 17, 2009

The Honorable Robert A. Brady
Chairman
Committee on House Administration
U.S. House of Representatives
1309 Longworth HOB
Washington, DC 20515

Dear Chairman Brady:

In accordance with the regulations of the Committee on House Administration, I am submitting herewith three copies of the monthly report of the Committee on Science and Technology for June 2009, including the following:

- A summary of specific programs and investigations;
- A statement of expenses and fund balance;
- A statement of authorized Committee travel expenses; and
- A listing of Committee employees showing their titles, addresses and gross monthly salaries.

This letter also certifies that copies of this report are available to each Member of the Committee.

Sincerely,

BART GORDON
Chairman

BG/lab

MONTHLY REPORT OF THE COMMITTEE ON SCIENCE AND TECHNOLOGY

Full Committee

June 2009

Hearings, Mark-ups, Meetings

June 3, 2009 Convened a markup of H.R. 2407, the National Climate Service Act of 2009. Legislation was ordered reported as amended, 24-12.

June 17, 2009 Convened a hearing on *Advancing Technology for Nuclear Fuel Recycling: What Should Our Research, Development and Demonstration Strategy Be?*

June 24, 2009 Convened a markup of the following legislation:

H.R. 2965, the Enhancing Small Business Research and Innovation Act of 2009;

H.R. 2729, to authorize the Designation of National Environmental Research Parks by the Secretary of Energy, and for other purposes; and

H.R. 1622, to provide for a program of research, development, and demonstration on natural gas vehicles.

All three bills were ordered reported as amended by voice vote.

Other Activities

June 2, 2009 H. Res. 492, Supporting the goals and ideals of High-Performance Building Week, introduced by Mr. Carnahan.

Report filed on H.R. 1709, the STEM Education Coordination Act of 2009, as amended. (Rept. 111-130 Part 1)

June 3, 2009 H.R. 2693, the Federal Oil Spill Research Program Act, introduced by Ms. Woolsey.

June 4, 2009 H.R. 2729, a bill to authorize the designation of National Environmental Research Parks by the Secretary of Energy, and for other purposes, introduced by Mr. Luján.

June 8, 2009 H.R. 1736, International Science and Technology Cooperation Act of 2009, considered under suspension of the rules. Agreed to 341-52. (Roll no. 311)

H.R. 1709, the STEM Education Coordination Act of 2009, considered under suspension of the rules. Agreed to 353-39. (Roll no. 312)

H. Res. 492, Supporting the goals and ideals of High-Performance Building Week, considered under suspension of the rules and agreed to by voice vote.

June 11, 2009 Executive Communication 2123 received: A letter from the Deputy Director, NIST, Department of Commerce, transmitting the Department's final rule – Construction Grant Program Notice of

Availability of Funds [Docket No: 000001556-8593-01] received May 20, 2009, pursuant to 5 U.S.C. 801(a)(1)(A).

Executive Communication 2124 received: A letter from the Deputy Director, NIST, Department of Commerce, transmitting the Department's final rule – Technology Innovation Program (TIP) Notice of Availability of Funds and Announcement of Public Meeting (Proposers' Conference) [Docket No: 000008324-9325-01] (RIN: 0693-ZA89) received May 20, 2009, pursuant to 5 U.S.C. 801(a)(1)(A).

June 18, 2009 H.Res. 558, Supporting the increased understanding of, and interest in, computer science and computing careers among the public and in schools, and to ensure an ample and diverse future technology workforce through the designation of National Computer Science Education Week, introduced by Mr. Ehlers.

June 19, 2009 H.R. 2454, American Clean Energy and Security Act of 2009, discharged from further consideration.

June 19-23, 2009 Chairman Gordon led a delegation of Committee members and staff to France in order to obtain a better understanding of the French nuclear program, including the nuclear fuel reprocessing program, and to discuss greater international collaboration on energy research programs. Meetings were held with NEA, IEA, ITER and AREVA representatives at MELOX and La Hague facilities.

Subcommittee on Energy and Environment

June 2009

Hearings, Mark-ups, Meetings

June 3, 2009 Staffed a full committee markup of H.R. 2407, the National Climate Service Act of 2009.

June 4, 2009 Convened a subcommittee hearing on *A New Direction for Federal Oil Spill Research and Development*.

June 9, 2009 Convened subcommittee hearing on *Environmental Research at the Department of Energy*.

June 16, 2009 Convened a subcommittee markup on the following legislation:

H.R. 2693, the Federal Oil Spill Research Program Act;

H.R. 2729, to authorize the designation of National Environmental Research Parks by the Secretary of Energy, and for other purposes; and

H.R. 1622, to provide for a program of research, development, and demonstration on natural gas vehicles.

All three bills were forwarded to the full committee as amended by voice vote.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with Delphi Corporation and Stanton Park Group LLC to discuss their Micro Channel Heat Exchanger, a technology that had been used for vehicles and is now being used in buildings
- Met with the National Institute of Building Sciences and the Harris Firm to discuss their interest in introducing legislative language on high-performance buildings standards
- Met with Mosaic Federal Affairs LLC to discuss Ontario's decision to convert several coal plants to biomass and the renewable biomass definition.
- Met with Yale University and the Center for Climate Change Communication at George Mason University to discuss their new report on climate change and social/behavioral sciences
- Met with SRI International to discuss the problems of non-government organization research companies which cannot afford the cost-share requirements of the Office of Fossil and EERE
- Met with Nextek Power Systems to discuss the option of installing parallel or optional DC current mini-grids in buildings and how this would be more energy efficient.
- Met with Rockwell Automation and the National Electrical manufacturers Association to discuss a new industrial manufacturing program based on Smart Manufacturing concepts such as systems integration
- Participated in Department of Energy workshop held in Bethesda, MD on fusion research needs.
- Met with representatives from Decker, Garman, Sullivan & Associates, LLC and Mainstream Engineering to discuss support for near-term ultra-high-efficiency vehicle demonstration projects.
- Attended briefing by the National Academies on the America's Energy Future Report
- Met with representatives of National Electrical Manufacturers Association and Rockwell Automation on Industrial efficiency technologies
- Met with Honeywell to discuss turbocompounding technologies for heavy-duty vehicles
- Met with Dueco to discuss hybrid trucks
- Met with National Oceanic and Atmospheric Agency administrator and staff to discuss updates to the National Polar-Orbiting Environmental Satellite System (NPOESS) program
- Met with NOAA staff on oil pollution.
- Met with representatives from the Canadian Embassy on climate change and climate service
- Attended a meeting at the National Institute for Standards and Technology (NIST) about follow-on biologics
- Attended meeting with OMB Watch and social services groups on Equity Metrics in Recovery Act monitoring
- Met with a professor from MIT and A123 to discuss electric vehicle and battery technology
- Met with General Electric to discuss possible legislation to authorize the Department of Energy to fund more advanced gas turbine research and how this could reduce greenhouse gases.
- Met with representatives of Mainstream Engineering on the "Hundred" concept vehicle
- Met with Eaton corporation on heavy truck technologies
- Met with Rajant technologies on flywheel energy storage for vehicles
- Attended Massachusetts Institute of Technology briefing on coal plant retrofit technologies
- Met with the National Electrical Manufacturers Association regarding the energy storage tax bill
- Met with GE-Hitachi regarding nuclear reprocessing activities
- Met the Minerals Management Service (MMS) to learn more about the agency's Oil Spill Response Research program
- Met with the Director of the National Ignition Facility and a representative from Lawrence Livermore National Laboratory to discuss a potential research and development path for laser fusion

- Met with representative from the U.S. Department of Agriculture (USDA) to discuss the Department's renewable energy activities
- Met with the National Academy of Public Administration to discuss the findings of NAPA's new report on significant Department of Energy management issues.

Subcommittee on Investigations and Oversight

June 2009

Hearings, Mark-ups, Meetings

June 11, 2009 Convened a subcommittee hearing on *Fixing EPA's Broken Integrated Risk Information System*.

June 17, 2009 Convened a subcommittee hearing on *Continuing Independent Assessment of the National Polar-Orbiting Operational Environmental Satellite System*.

June 25, 2009 Convened a subcommittee hearing on *The Science of Security: Lessons Learned in Developing, Testing and Operating Advanced Radiation Monitors*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Held a meeting with Department of Homeland Security (DHS) staff to discuss data mining projects
- Met with Government Accountability Office, Deputy Under Secretary for the National Oceanic and Atmospheric Administration, and Northrop Grumman to discuss NPOESS
- Attended a roundtable with Committee Chairman on open access to Federally-funded scientific publications
- Held a hearing on recent changes to the Environmental Protection Agency's Integrated Risk Information System (IRIS) program
- Held briefings on radiation monitors issue with DNDO, Customs and Border Protection, GAO, National Academies, Homeland Security Institute and others
- Attended briefing by DHS on Data Mining & Behavior Surveillance initiatives
- Met with environmental group about cement kilns
- Attended Agency for Toxic Substances and Disease Registry's "National Conversation"
- Continued to investigate Washington D.C./Center for Disease Control (CDC) blood lead level reporting issues; wrote letter to BLL reporting labs for information and received briefings from CDC on this topic
- Attended OMB Watch briefing and workshop on Promoting Equity Metrics in the Recovery Act (ARRA)
- Participated in a Council of Government Representatives panel on implementing the accountability provisions in the ARRA at American universities

- Held a discussion with a corporate executive on the future of photovoltaics manufacturing in the U.S.
- Held multiple discussions with researchers (both academic and independent) and with quantitative analysts on the role of modeling in the financial sector meltdown and in bank regulation
- Held a discussion with officials of a public interest group of the White House's role in environmental regulation
- Held a discussion with venture capital expert of platforms for regional development of manufacturing industries
- Held a discussion with technology policy expert of state of U.S. intelligence on trading partners' manufacturing strategies
- Produced and released a staff report on the Office of Information and Regulatory Policy (OIRA)'s interference with EPA's IRIS program, entitled "Nipping IRIS in the Bud"
- Held interviews with private company officials and attorneys regarding National Aeronautics and Space Administration (NASA) contract awards

Subcommittee on Research and Science Education June 2009

Hearings, Mark-ups, Meetings

June 10, 2009 Convened a subcommittee hearing on *Cyber Security R&D*.

June 16, 2009 Staffed a joint subcommittee hearing with the Subcommittee on Technology and Innovation on *Agency Response to Cyberspace Policy Review*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Participated in mock congress organized by Arizona State University for their science policy students.
- Spoke to several potential participants for committee roundtable on access to federally funded research results
- Staffed Chairman in meeting with Proctor and Gamble regarding in part their science and math education programs, such as the science magnet school in Cincinnati.
- Met with the Director of the Independent Colleges Office regarding issues in undergraduate education, including programs funded by NSF.
- Interviewed two Albert Einstein Distinguished Educator fellows for possible placement with subcommittee.
- Staffed Chairman in meeting with the Chair of the Italian House Committee on Culture, Science and Education on areas for possible science cooperation between Italy and the United States.

- Staffed Chairman in meeting with the new president of Math for America, a foundation that provides financial support to STEM professionals to get their education certification and current STEM teachers to become master teachers.
- Staffed committee roundtable on public access to the results of federally funded research, with 13 experts from the various stakeholder communities.
- Met with a professor from Carnegie Mellon University to learn about his research in green chemistry.
- National Research Council briefed staff about the findings of their report, *Gender Differences at Critical Transitions in the Careers of Science, Engineering and Mathematics Faculty*.
- Met with the National Radio Astronomy Observatories (NRAO). NRAO operates the Green Bank Telescope in West Virginia, and the Very Large Array and Very Long Baseline Array in New Mexico. NRAO is currently building the Atacama Large Millimeter Array (ALMA) in Chile.
- Met with National Lambda Rail about their research and education IT infrastructure.
- Served as panel member in a Woodrow Wilson Center briefing on the Hill entitled, "America's Best Teachers Take Uncle Sam to School." Sponsored by the Program of Science, Technology, America, and the Global Economy & the Global Energy Initiative.
- Attended briefing, "Learning Science in Informal Science Environments," sponsored by the National Academies, the National Science Teachers Association, The Association of Science Technology Centers, and 10 museums and science centers nationwide.
- Met with a professor at Cal State Fullerton and a professor at Claremont Graduate School, about the Louis Stokes Alliances for Minority Participation (LSAMP) program, minority issues in general and program evaluation.
- Met with the Executive Director of the National Physical Science Consortium (NPSC). The NPSC recruits top US-citizen only applicants for graduate fellowships at federal agencies related to intelligence, science and engineering with an emphasis on women and minorities.
- Participated in Triangle Coalition's Albert Einstein Distinguished Educator Fellowship 2008-2009 Poster Session. Fifteen Fellows representing DOE, NSF, NOAA, NASA, and Capitol Hill presented their accomplishments and highlights during their Fellowship year.
- Staffed Chairman in meeting with Symantec CEO.
- Met with representatives from the Center for Applied Identity Management.

Subcommittee on Space and Aeronautics

June 2009

Hearings, Mark-ups, Meetings

June 18, 2009 Convened a subcommittee hearing on *External Perspectives on the FY 2010 NASA Budget Request and Related Issues*.

Other Activities

June 12-13, 2009 Ms. Kosmas led a congressional delegation to the NASA Kennedy Space Center (KSC) for the purpose of receiving briefings on projects and activities being undertaken at the Center, viewing the

scheduled June 13 launch of the STS 127 Space Shuttle Endeavour, and touring selected facilities of the Center related to human space flight to familiarize members and staff with KSC's capabilities.

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Teleconference with a chair of the NASA Advisory Council
- Met with appropriations staff
- Met with a former official of International Astronautical Federation to discuss space issues
- Meeting with representatives from LTI Associates and Advanced Micro-Fabrication Equipment, Inc. re: trade issues and export controls in dealing with China
- Met with representatives from Harvard School of Public Health re: air cabin environment and passenger and crew safety
- Met with representatives of Ball Aerospace on issues for NASA reauthorization
- Participated in FAA briefing on NextGen mid-term and Gap Analysis
- Attended the Aerospace Industries Association briefing on space situational awareness
- Attended USGCRP briefing on US Climate Change Impacts report
- Met with National Research Council aviation safety committee to discuss study mandated in NASA Authorization Act of 2008
- Attended Maryland Space Business Roundtable luncheon
- Met with Northrop Grumman representatives on NPOESS

Subcommittee on Technology and Innovation

June 2009

Hearings, Mark-ups, Meetings

June 8, 2009 Staffed Chairman Gordon for a field roundtable on tornado forecasting and warning.

June 11, 2009 Convened a subcommittee hearing on *Reauthorization of the National Earthquake Hazards Reduction Program: R&D for Disaster Resilient Communities*.

June 16, 2009 Convened a joint subcommittee hearing with the Subcommittee on Research and Science Education on *Agency Response to Cyberspace Policy Review*.

June 24, 2009 Staffed a full committee markup on H.R. 2965, the Enhancing Small Business Research and Innovation Act of 2009.

June 25, 2009 Convened a subcommittee hearing on *Assessing Cybersecurity Activities at NIST and DHS*.

Other Activities

Meetings and briefings were held with various groups and individuals on subjects of interest to and within the jurisdiction of the Subcommittee:

- Met with Rep. Lipinski's staff to discuss possible amendments to H.R. 2569, the surface transportation R&D reauthorization bill
- Met with staff of Reps. Inslee and Reichert to discuss H.R. 2569, the surface transportation R&D reauthorization bill
- Met with Rep. Pascrell's staff to discuss the Assistance to Firefighter Grant (AFG) and the Staffing for Adequate Fire and Emergency Response (SAFER), together known as the FIRE Grants programs, reauthorizations
- Spoke with the Deputy Assistant Secretary for Policy for the Department of Transportation (DOT) about H.R. 2569, the surface transportation R&D reauthorization bill
- Led a panel discussion on metrics for Intelligent Transportation Systems (ITS) at the ITS-America Conference
- Spoke with a professor at the John Jay College about the National Institute of Standards and Technology's (NIST) use of the National Safety Construction Team Act
- Spoke with the director of the Department of Oregon Geology and Mineral Industries and the executive director of the Western States Seismic Policy Commission about the National Earthquake Hazards Reduction Program (NEHRP)
- Spoke with a representative from the Building Technology Research Unit of State Farm Insurance about the mitigation R&D that insurance companies are funding
- Spoke with the Program Director of the Oregon Natural Hazards Work Group about the reauthorization of NEHRP
- Spoke with a Senior Geologist with Conforth Consultants about NEHRP
- Spoke with the Administrator of the Research and Innovative Technology Administration (RITA) about H.R. 2569, the surface transportation R&D reauthorization bill
- Staffed Chairman Wu for a meeting with the Administrator of RITA
- Spoke to a representative from Symantec about the upcoming cyber security hearing
- Spoke to a representative from the Department of Homeland Security (DHS) about the upcoming cyber security hearings and the DHS cyber security report
- Spoke to a representative from NIST about NIST cyber security efforts and the upcoming cyber security hearing
- Spoke to representatives from Microsoft about the upcoming cyber security hearing
- Spoke to a representative from Verisign about the upcoming cyber security hearing
- Spoke to a representative from Sun Microsystems about the upcoming cyber security hearing
- Briefed by DHS on the DHS Science and Technology Budget
- Spoke to a representative from the Center for Strategic and International Studies about the upcoming cyber security hearing
- Spoke to a representative from Unisys about the upcoming cyber security hearing
- Met with a representative from the Government Accountability Office (GAO) to discuss the upcoming cyber security hearing and the GAO Report
- Spoke to a representative from the Business Software Alliance about the upcoming cyber security hearing
- Spoke to a representative from Google about the upcoming cyber security hearing
- Spoke to a representative from the Software and Information Industry Alliance about the upcoming cyber security hearing

- Briefed by the Defense Advanced Research Projects Agency (DARPA) on the Department of Defense (DOD) cyber security efforts
- Met with representatives from The Accord Group about the patent reform bill in the Judiciary Committee
- Spoke with a representative from the National Institute for Biological Standards and Control (UK) (NIBSC) about the standards and references used by the European Union and European Medicines Agency (EMA) for comparing biosimilars
- Spoke with representatives from the US Food and Drug Administration (FDA) about follow-on biologics initiative with NIST
- Spoke with a representative from Pharmaceutical Research and Manufacturers of America (PhRMA) about the patent reform bill
- Spoke with a representative from Monsanto, LLC about the patent reform bill
- Met with NIST to discuss follow-on biologics and drug development measurement and standardization programs
- Met with representatives of Holcim Cement about H.R. 2569, the Surface Transportation R&D Reauthorization Bill
- Met with a representative from South Dakota and the executive director of the Sun Grant Association about Sun Grant institution research and biofuels in the context of the surface transportation reauthorization bill
- Met with staff from Senator Klobuchar's office about introducing H.R. 1580, the Electronic Device Recycling Research and Development Act
- Spoke with a representative from DE Shaw Research about computation biochemistry and its role in standardization of drug development and follow-on biologics
- Spoke to a representative from Genentech about the proposed follow on biologics legislation and the role NIST may play in assisting with drug development
- Spoke with a representative from the American Association of Retired Persons (AARP) about the Committee's interest in follow on biologics.
- Met with a representative from Amgen about the Committee's potential role in follow on biologics
- Spoke with a representative from the Bipartisan Policy Counsel about their potential interest in the Committee's role in reducing the cost of health care
- Attended a National Academies briefing on a National Academies report *Electricity from Renewable Resources: Technical Opportunities, Risks, and Tradeoffs*
- Met with representatives of the Western Research Institute about their asphalt research program and the Surface Transportation R&D Reauthorization Bill
- Met with staff from Rep. Carnahan's office about possible amendments for the Surface Transportation R&D Reauthorization Bill
- Met with staff from Rep. Lipinski's office about possible amendments for the Surface Transportation R&D Reauthorization Bill
- Met with a representative from Quillite about their sound barrier technology and technology transfer issues for transportation
- Met with representatives of the International Association of Fire Fighters (IAFF), the International Association of Fire Chiefs (IAFC), the National Volunteer Fire Council (NVFC), the National Fire Protection Association (NFPA), and the Congressional Fire Services Institute (CFSI) about the reauthorization of the FIRE grants programs

- Met with a representative from the Federal Emergency Management Agency (FEMA) about the FIRE grants program
- Attended meeting with representatives from Symantec to discuss cyber security issues with Mr. Wu
- Met with representatives from Carnegie Mellon University to discuss the Committee's cyber security agenda
- Spoke with a representative from Stanford University regarding biologics program at NIST
- Met with staff from Rep. Gordon's office regarding Mr. Gordon's involvement with follow-on biologics
- Attended the Organization for Economic Cooperation and Development (OECD) breakfast briefing on the recent report "The Bioeconomy to 2030: Designing a Policy Agenda" and met with a representative to discuss the specifics of the recent OECD report on the bio-economy
- Met with representatives from Travelers Insurance Company to discuss the mitigation part of their Coastal Plan
- Spoke with the director of the Tennessee Local Technical Assistance Plan about technology transfer for transportation activities
- Spoke with a representative from the IAFC about a witness for the July 8 hearing on the reauthorization of the FIRE grants program
- Spoke with a representative from the IAFF about a witness for the July 8 hearing on the reauthorization of the FIRE grants program
- Spoke with general legislative counsel for DOT about DOT's technical drafting guidance on H.R. 2569
- Spoke with the FEMA Deputy Administrator for National Preparedness about reauthorization of the fire grants program
- Spoke with a representative from the NFPA about the upcoming hearing on the reauthorization of the FIRE Grants program
- Spoke with a representative NVFC about the upcoming hearing on the reauthorization of the FIRE Grants program
- Spoke to a representative from SignaCert to discuss cyber security issues
- Met with representatives from the Center for Applied Identity Management Research to discuss cyber security issues
- Met with representatives from Trend Analytics to discuss cyber security issues
- Met with a representative from Women in Bio regarding the Committee's activities on the Small Business Research Initiative and follow-on biologics activities
- Spoke with a representative from Burrill & Company regarding the economic impact of better measurement science in biotechnology and the potential for assistance in locating witnesses and stakeholders
- Spoke with representative from NIST regarding an upcoming meeting with the National Institute for Biological Standards and Control (NIBSC)
